Consultants

The positions of the following consultants presently retained by the Agency:

- a. _____
- b. _____
- c. _____

The position shall be listed by the name or job title of each person classified as a "designated employee" in any contract which the Agency enters into for consulting services with a person or business entity (whether or not a nonprofit entity). Such a designation will be made in the contract with respect to any person who, in the opinion of the Agency, may reasonably be expected to make, participate in making or in any way attempt to use his position as a "consultant" to influence a governmental decision in which the person might reasonably be expected to have a financial interest.

APPENDIX B

General Provision

When a designated employee is required to disclose investment and sources of income, he need only disclose investments in business entities and sources of income which do business in the jurisdiction, plan to do business in the jurisdiction or have done business in the jurisdiction within the past two years. In addition to other activities, a business entity is doing business within the jurisdiction if it owns real property within the jurisdiction. When a designated employee is required to disclose interests in real property, he need only disclose real property which is located in whole or in part within or not more than two miles outside the boundaries of the jurisdiction or within two miles of any land owned or used by the local government agency.

Designated employees shall disclose their financial interests pursuant to the appropriate disclosure category as indicated in Appendix A.

Disclosure Categories

- Category 1: All investments and sources of income.
- Category 2: All interests in real property.
- Category 3: All investments, interest in real property and sources of income subject to the authority of the agency.
- Category 4: Investments in business entities and sources of income of the type which, within the past two years, have contracted with San Diego County Regional Transportation Commission to provide services, supplies, materials, machinery or equipment.
